Feedback From Conference Participants	35
Delegate List	39

This Conference would not have been possible without the full support of the North Western Health Board (NWHB) and the Parents Advice Centre (PAC). Both agencies were prepared to take a risk with an "unknown quantity", and allowed a range of their staff and volunteers to be involved in the practical arrangements for this event. Particular thanks are offered to Fiona Bradley (NWHB), and Sheila Cherry, Sharon McWhirter and Anne McConville (PAC) for all their help and support. Special thanks are also due to all the speakers who willingly and enthusiastically gave their time and experience to help to increase our understanding of fathers and fatherhood.

The father and baby logo which appears throughout this report is taken from the book "More Secrets of Happy Children" by Steve Biddulph with Shaaron Biddulph, published by Thorsons (ISBN 0-7225-3670-4). We are very grateful for Steve's permission to use this image.
